

# Centron vs Premium Diesel Fuel Benefit Comparison

## Premium Diesel Fuel From Typical Fuel Distributors

Did you know.....

- Premium Diesel usually contains only the minimum amount of additives that allow it to be labeled as “premium” by the *National Conference of Weights & Measures (NCWM)*.
- Premium Diesel usually contains only the least expensive additives providing little benefit at a Premium Cost!
- Even the best Premium Diesel from typical fuel distributors only address some of the problems with today’s diesel fuel. Not the Wide Ranging Benefits Centron Provides!
- Number 2 Diesel Fuel provides even less protection against fuel contamination, fuel related problems & lost performance.

## Centron Provides The Complete Package!!!

### Centron Diesel Package

- Detergency Package
- Oxidation Inhibitors
- Cold Flow Improvers
